The Perkin-Elmer Corporation
Main Avenue
Norwalk, Connecticut

Gentlemen:

Reference is made to our letter No. 20409 dated 17 October 1957, authorizing the procurement of long lead item not to exceed $5,000, and your letter dated 21 October 1957 on the same subject.

It is anticipated that a separate Contract SC-45-12 will be negotiated for repair of the 16 Mark I Tracking Cameras. In addition, a new contract covering spare parts (SC-57-43), and a new Time and Material Contract to replace SC-56-42 will be negotiated

Accordingly, the aforementioned long lead items not to exceed $5,000 are to be purchased against Contract No. SC-45-12 not SC-57-43, and the $5,000 approval is merged into the $85,000 authorized by our letter No. 21293 dated 14 November 1957.

Very truly yours,

CONCURRENCE: we did Not Program for this during FY-58, but an Obligation has been established 11/21/57
